

YOU'RE INVITED

Cancer Voices Event: Stronger Together

Wednesday 26 May 2021

Dear Cancer Voices

Thank you for being part of our network of people living with cancer, influencing Macmillan's work by sharing your experience with us.

We are excited to announce our forthcoming event, bringing cancer voices together from across the UK for the first time this year. The event is a chance to welcome new people, catch up on the contribution you've been making to Macmillan's work and what we have achieved together since we last met, and look forward to what's next.

What: An online, UK-wide event for people with lived experience of cancer

When: Wednesday 26 May 2021, 10.30am – 1pm

Where: Online, using MS Teams

HOW TO BOOK YOUR PLACE

If you would like to join us for the live event, please [follow this link](#) to register.

IF YOU CAN'T MAKE THE DATE...

We know that many of you have work and other commitments, and we also know that online events are not everyone's cup of tea. We don't want anyone to miss out, so you can still be part of the conversation. We'll be offering a mixture of different times and dates to take part in some of the discussions, and to view some content online. **If you can't make the live event but still would like to take part, please [follow this link](#) and select *I am not able to attend on the day* as your Registration Type from the drop down menu, and we will keep in touch with you about alternatives.**

We hope to see you there! If you have any questions about the event, you can get in touch at cancervoices@macmillan.org.uk

Best wishes

Holly, Matt, Helen and Andrea

The People and Communities Engagement Team

** You are receiving this email because you have asked Macmillan Cancer Support to keep in touch with you about future opportunities to influence our work; or to update you following*

cancer voices events you have attended. You can unsubscribe from these emails at any time by contacting cancervoices@macmillan.org.uk

We know that some of you receive updates from your local Engagement Lead as well as the national team and that can sometimes mean you hear from us more than once about the same thing. We're working on how to overcome that and, in the meantime, we hope you will understand that we would rather you hear from us twice than not at all. If you would like to let us know that you are receiving the same communication more than once and tell us your preference for how to hear from us, please contact us at cancervoices@macmillan.org.uk

We are doing everything we can to help people living with cancer, who need us now more than ever.
